# A PROCLAMATION FOR THE FAMILY

*W*hereas, families are the cornerstone of our nation and community; and

Whereas, Lehi has a tradition of providing a wholesome community where families want to live and raise their children; and

Whereas, strong marriages and strong parents are major keys to strong families; and

Whereas, the strength of our community in the future depends on the success of our children and youth; and

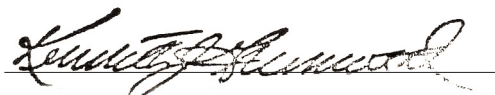

Whereas, Lehi has a tradition of promoting a drug-free and a crime-free community; and

Whereas, it is important to respect the differences of families whether they be religious, political, cultural, or other; and

Whereas, the United Nations General Assembly proclaimed 1994 as the International Year of the Family and 2004 as the tenth anniversary of the International Year of the Family;

*Now, Therefore, I, Kenneth J. Greenwood, Mayor of Lehi City together with the Municipal Council of Lehi, do hereby proclaim and support 2004 and every year hereafter as “Lehi Year of the Family”.*

And encourage educators, community organizations, business leaders, and religious leaders to support families, youth and children with the appropriate activities and programs that will create the most family friendly, youth friendly, and child friendly community in the World.

Kenneth J. Greenwood

Mayor, Lehi City

Dated this 13th day of April 2004
